SUBJECT: 2013 ORV Preseason Workshops and Trails Update

As an ORV Trail Improvement Fund Grant Sponsor, Legislator, or other interested party, the DNR is requesting your attendance at this annual event to kick off another successful riding season. This year we are holding one meeting per peninsula and encourage you to attend that which is most convenient for you. Please circulate this announcement to those within your organization who perform the actual trail maintenance and complete the grant paperwork. Dates, times and locations of workshops are as follows:

Saturday, March 16, 2013 10:00 a.m. to 1:00 p.m. EST Roscommon, MI
Ralph A. MacMullen (RAM) Conference Center, 104 Conservation Drive
Phone: (989) 821-6200

Monday, March 18, 2013 1:00 p.m. to 4:00 p.m. EST Marquette, MI
Northern Michigan University - University Center (Great Lakes Rooms)
Phone: (906) 227-1000

Please note: The preseason trail maintenance workshop from **1:00 p.m. to 2:00 p.m. EST** is geared for current ORV Grant Sponsors. Others may attend but may find the content tedious as it will concentrate on maintenance aspects. The general trails update from **2:00 p.m. to 4:00 p.m.** is geared for all others with ORV trail and economic interests.

Workshops:

The purpose of the Workshops are to provide clear, concise information to assist you with your trail work responsibilities and to further open communications between groups. We will review all grant related documents to help ensure your success as grant sponsors. These discussions are geared to clubs and sponsors.

Trails Update:

The General Session will provide updates from the Department at both workshops and additional updates from Legislators at the Marquette session. Also, we will inform you on current initiatives in the state that affect the ORV program and its users. This is an excellent session to attend for those interested in current updates and general discussion.
